

AllPro is committed to producing quality products at a competitive price and we produce the largest selection of prophylaxis cups on the market. We are constantly adding new high quality products that we're sure you'll appreciate.

MORE ANGLE, LESS FATIGUE

ProphEase™ Disposable Angles with Non-Latex Prophylaxis Cups

We bent our angle so your wrist won't have to. ProphEase reduces muscle fatigue caused by awkward wrist positions. Our new ergonomic design and compact head is an unbeatable combination that gives you better access to the back of the patient's mouth. A superior, comfortable angle that comes complete with a non-latex prophylaxis cup. Individually wrapped.

PRODUCT NO. DESCRIPTION *AVAILABLE IN DISPENSER BOXES OF 100 OR 500

700	ProphEase™ Disposable Prophylaxis Angles with Soft, Hot Pink, Square Ribbed & Webbed Prophylaxis Cups	
701	ProphEase™ Disposable Prophylaxis Angles with Soft, Purple, Square Ribbed & Webbed Prophylaxis Cups	
703	ProphEase™ Disposable Prophylaxis Angles with Firm, Yellow, Square Ribbed & Webbed Prophylaxis Cups	

THE ANGLE FOR HEAVY STAIN REMOVAL

ProphEase™ Disposable Angle with Tapered Nylon Brush

The new ProphEase™ angle now comes complete with a tapered, white nylon brush. The durable bristles are firmly attached to the non-latex base. Perfect for removing heavy stains in small recesses. Individually wrapped.

PRODUCT NO.	DESCRIPTION	*AVAILABLE IN DISPENSER BOXES OF 100 OR 500
710	ProphEase™ Disposable Prophylaxis Angles with Tapered Brushes, White Nylon Bristles	

* To order Box of 500, add "-R-500" at end of Product No. (Example: "700-R-500")

THE RIGHT ANGLE

Regular Disposable Angles with Non-Latex Prophylaxis Cups

AllPro's disposable angle has built a reputation for reliability. This remarkable angle combines high-strength plastic components and a gear design that delivers maximum torque and continuous, vibration free operation. Each angle comes individually wrapped and is complete with a non-latex prophylaxis cup.

PRODUCT NO. DESCRIPTION *AVAILABLE IN DISPENSER BOXES OF 100 OR 500

800	Disposable Prophylaxis Angles with Soft, Hot Pink, Square Ribbed & Webbed Prophylaxis Cups	
801	Disposable Prophylaxis Angles with Soft, Purple, Square Ribbed & Webbed Prophylaxis Cups

* To order Box of 500, add "-R-500" at end of Product No. (Example: "800-R-500")

As a leading supplier of prophylaxis cups in the industry we understand what you're looking for. Our soft cups are firm enough to hold paste well and yet flexible enough to wrap around the tooth for proper cleaning and polishing, even below the gum line.

- 100% Non-latex cups
- Reliable, vibration-free prophylaxis angles
- GUARANTEED to get you through a prophylaxis

BRUSH AWAY HEAVY STAINS

Disposable Angles with Brushes

AllPro combines its durable disposable angle with its tapered, white nylon brush for real stain cutting capability. Excellent for use on occlusal surfaces as well as around bands and brackets. Perfect for getting into those small recesses. Individually wrapped.

- NON-LATEX BRUSH BASES
- DURABLE BRISTLES ARE FIRMLY ATTACHED

* To order Box of 500, add "-R-500" at end of Product No. (Example: "810-R-500")

NON-LATEX PROPHY CUPS FOR EVERY NEED

Proven Styles, Quality Materials

Due to increased allergies from latex products, AllPro has developed a non-latex prophylaxis cup to better protect staff and patients. These new cups clean, polish and perform like natural rubber cups. In fact, Hygienists tell us they can't tell the difference. All styles are now available in the new non-latex material. AllPro continues to produce the widest variety of prophylaxis cups in the world. Now available in Strawberry and Vanilla scents to mask the smell of prophylaxis cups.

BRUSH BETTER

White or Black Nylon Bristles

When you need a brush, choose the best. *Allpro's* tapered point reaches into recesses that a normal brush can't. Or if you prefer, for better stain removal choose our new flat bristle brush. Nylon bristles are firmly attached to non-latex or durable chrome finish bases.

SAFE, SIMPLE, STYLISH

*Protect-A-Lens,
Disposable Protective Eyewear.*

Now there's a convenient way to protect your patient's eyes from flying debris, prophy paste, handpiece mist and water spray. PAL (Protect-A-Lens) is heat treated to provide a "rolled tension", allowing the safety glasses to cling to the head without the use of ear pieces. PAL can be worn behind glasses or by itself. Available in stylish smoked or clear.

- INEXPENSIVE • QUICK & EASY • ONE SIZE FITS MOST

**All-Dri™
MOISTURE CONTROL**

The cotton pad that replaces cotton rolls. Because All-Dri is flat, it can go under the tongue where most of the saliva is generated in the mouth. All-Dri absorbs up to 3 times its weight in moisture and can be placed between the cheek and gums.

PRODUCT DESCRIPTION
NO.

AVAILABLE IN BOXES OF 300

- 500-300 White, cotton pads, 1/2" x 2"

**All-Wipe™
INSTRUMENT CLEANER**

Don't risk puncturing yourself by cleaning a sharp instrument on a two by two wrapped around your finger. And, no need to use the patient's bib as a tool wipe. Simply stick an All-Wipe to the back of your glove or any convenient location. To clean your instrument, simply run the instrument through the slots on the All-Wipe. When you've completed your procedure, remove the glove and the All-Wipe goes in the trash with the glove. No instrument sticks, no mess.
